DON'T CUT THAT CORN.

An Easier, Less Painful, More Effective Method Guaranteed by Miller Drug Co.

That painful misfortune—a corn—is liable to become a far greater misfortune if you cut it. Aside from the danger of blood poisoning, which is always to be reckoned with in cutting a corn, the least slip of the instrument is likely to leave a gash that will make the corn many times more painful. Cutting through the corn into the flesh makes the corn grow deeper, and more irregularly, making its cure more difficult.

We guarantee Rexall Corn Solvent as a prompt and permanent relief in all cases of hard and soft corns, bunions, warts and moles, and any other calloused condition of the skin caused by undue pressure or friction. When we say guarantee, we mean it in all that the word implies. If Rexall Corn Solvent does not remove the corn or other callous, we will cheerfully hand you back your money the instant you tell us. Price, 25 cents. Sold in this community only at our store. The Rexall Store, Wey Drug Store.

IT'S FOUR YEARS OLD

But Mrs. Sedeldmeyer Says It's Just As Good Today As When It Was First Made.

Four years ago Mrs. Sedeldmeyer testified to complete relief from kidney ills.

Later she says there has not been the slightest return of the trouble. Arcadia sufferers will take a deal of comfort in Mrs. Sedeldmeyer's statement.

Read what she says:

Mrs. C. Sedeldmeyer, DeSoto avenue, Arcadia, says: "About two years ago I suffered constantly from a lame and aching back. The kidney secretions were irregular in passage and caused me great annoyance. Two boxes of Doan's Kidney Pills relieved me of the lameness and aching in my back and the other kidney disorders left. I have had no occasion to use a kidney medicine since." (Statement given March 3rd, 1911.)

A Permanent Cure.

On June 5th, 1914, Mrs. Sedeldmeyer said: "The cure Doan's Kidney Pills made for me has been permanent."

Price 50c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sedeldmeyer has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

LITTLE MISS VIOLET LABYER GIVES BIRTHDAY PARTY.

(From Tuesday's Daily.)

Yesterday at her home little Miss Violet Isabel Labyer entertained a few of her young friends at a birthday party in celebration of her ninth birthday.

The youngsters enjoyed various refreshments, water melons, candies, cake, ices, etc., all dear to the juvenile heart. The guests brought Miss Violet many lovely remembrances in addition to many good wishes, and all played games until time for the guests to return home. Those present on the pleasant occasion were Annie Griffith, Georgia Walton, Gladys Andrews, Beverly West, Dorothy and Ada Salzman, Sadie and Esther Craft, Davis and George Taylor, Louise Trowbridge, Leon Salzman, Emory Labyer and Dannie Heid. The hostess had kodak pictures made of the group of little pleasure seekers.

MISS AYRES HAVING

A NICE TIME.

Miss Daisy Ayres, one of the most popular teachers in the local high school, is at her home in Brooksville, but has not forgotten her Arcadia friends, as shown by the following from her to one of her pupils of the last session, Miss Georgia Walton:

(From Tuesday's Daily.)

The occasion was a 6 o'clock dinner, and from the reports of those attending it seems to have been a most enjoyable affair. The only regrettable thing about the entertainment was that the guests had to leave the home of their host in time to be in town to meet the 8:07 train, as Mrs. Estelle Lewis and Mrs. Allen were returning from Birmingham, where for the last few months they have been visiting friends. Nothing too good can be said about his dinner, as the hospitality of Mr. Brown is very well known, so this is the place for this article to end.

CARD OF THANKS.

To the Voters of DeSoto County:

You have honored my offer and request for opportunity to serve. Your verdict is so decisive as to be unmistakable. A majority of first choice votes over two men of the standing and support of my opponents is to be received as an unusual token. I am deeply grateful and proffer the fervent appreciation of a sincere heart. Your goodness to me has enlisted all the humility of my soul. I shall reward your confidence with conscientious performance of duty.

I esteem your preference the more highly because, in choosing, you had to consider the noble lives and eloquent claims of my two opponents.

Victory, wonnowed by chaste breezes of honor from a bounteous supply of meritorious opposition, is a rare treasure. The memory thereof is a memento. I hereby take occasion to thank my opponents, Messrs. Burton and George Leitner, for joining me in the maintenance of lofty standards throughout the campaign.

Again, I humbly thank the voters of DeSoto county, and especially those who stood loyally by me, for their support.

Though my appreciation is distributed among many, I am under obligations to none. My friends and I distinguish between appreciation and obligation. I am the servant of all. As in the past, I shall live sympathetically and appreciatively, in the lives of my fellow men as a matter of sincerity untainted with political significance.

I hope to justify your confidence with conscientious, efficient, unselfish, unsullied service.

Faithfully and appreciatively yours,

HUGH G. JONES.

CARD OF THANKS.

Again thanking each one for their support, and with kind personal regards, I am,

Respectfully,

d&w-it. H. G. MURPHY.

CYRIL L. DWIN GRATEFUL.

Yours sincerely,

d&w-it. CYRIL BALDWIN.

A HAPPY DREAM THAT HAS COME TRUE

Many Tampa Citizens So Testify In the Past Five Months

Remarkable Results Obtained Here

To be a sufferer from stomach troubles for years and to bear all the tortments from this all too common ailment, and then be benefited almost overnight, is like having a happy dream come true.

This has been the experience of thousands of former sufferers from this dreaded malady, who have taken Andes, the new reconstructive tonic, which aids nature to restore the stomach to the habit of doing a full day's work and doing it well.

The present day mode of living has raised havoc with stomachs. A diet overworked stomach or by fast eating, abuse by overeating and by fast eating, and other faulty methods of living, cause no endless number of ailments, among them being heart disease, catarrhal affections, dyspepsia and nervous breakdowns, loss of appetite and blood troubles.

Those so affected will find Andes the ideal medicine, as men and women in all walks of life are daily acknowledging the benefits everywhere it has been introduced. Andes has become a household word; its records for sales have been very great; its success is based on merit alone; its best advertiser is the former sufferer who has been relieved. The laboratories are working day and night to supply the great demand which has been created for Andes throughout the country.

Nervous, tired-out men and women, or those suffering from stomach, kidney, liver, intestinal, catarrhal troubles should visit Arcadia Drug Store, where Dr. Payne's agent will explain the virtues and wonderful cures effected by ANDES' PRESCRIPTION, the MASTER MEDICINE.

KISSIMMEE YOUNG MAN KILLED BY LIVE WIRE.

Kissimmee, June 13.—Harris John, the 21-year-old son of Mr. and Mrs. J. Johns, met a tragic death here when he was electrocuted by coming in contact with a live wire.

A severe electrical storm passed over the city during the late afternoon and the high wind and heavy rain loosened the wires on Clyde avenue. These were temporarily fastened up, but must have dislodged again, for about ten o'clock the body of the unfortunate young man was found lying across the side walk with the wire resting on his right shoulder. His death must have been instantaneous, as 2,500 volts of electricity was passing through his body. The current was turned off and aid sent for, but to no avail. It was thought that he had been dead for some time, as he left the store on Mabbette street, where he was employed, about 9 o'clock, starting for his home.

CARD OF THANKS.

Lakeland, Fla., June 12th, 1916. To the People of the First Congressional District.

You have, by a majority vote, selected me to be your Representative in Congress. To say that I appreciate the confidence thus reposed in me would of course be only natural. To say that I most profoundly feel the responsibility which I assume with this trust, I earnestly hope you will believe. The campaign was clean and dignified in nearly every quarter, and I have no feeling of resentment toward those gentlemen who so conducted it. To my thousands of loyal supporters I feel a sense of great thankfulness.

Respectfully,
d&w-it. HERBERT J. DRANE.
